According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 3048-###. The time required to complete this information collection is estimated to be ## minutes per response, including the time spent to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, forward correspondence to Ex-Im Bank and the Office of Management and Budget, Paperwork Reduction Project, OMB # 3048-### Washington, D.C. 20503.

### Instructions

- One response per company.
- Please respond to all questions based on the company's experience in calendar year 2015.
- If your company engaged EXIM for more than one transaction, please respond with your average experience and use the general comments area in each section to discuss how a specific deal differed (e.g., your company's experience with the long-term loan program compared to the medium-term insurance program).
- Questions that require a response are marked with an asterisk (\*).
